

Evidencia de Prueba					
Fecha	10/03/2023	Versión	Versión 110.0.5481.180	Plataforma	Google Chrome
Resumen	Validar Accesibilidad de la Página				
CP	CHAL-35	Bug	OK/MEJORA	Tester	I.M
Descripción Bug	La página cuenta con varios errores de accesibilidad (Textos alternativos, errores de contrastes)				

Usamos la extensión para Chrome Wave para analizar la accesibilidad de la página

The screenshot shows the Chrome Wave web accessibility evaluation tool interface. The tool is powered by WebAIM and displays a list of errors and alerts on the left sidebar. The main content area shows a mockup of a banking website with sections for Accounts, Loans, and a Sign out button. The tool highlights various accessibility issues such as missing alternative text, contrast errors, and structural elements.

Errors and Alerts:

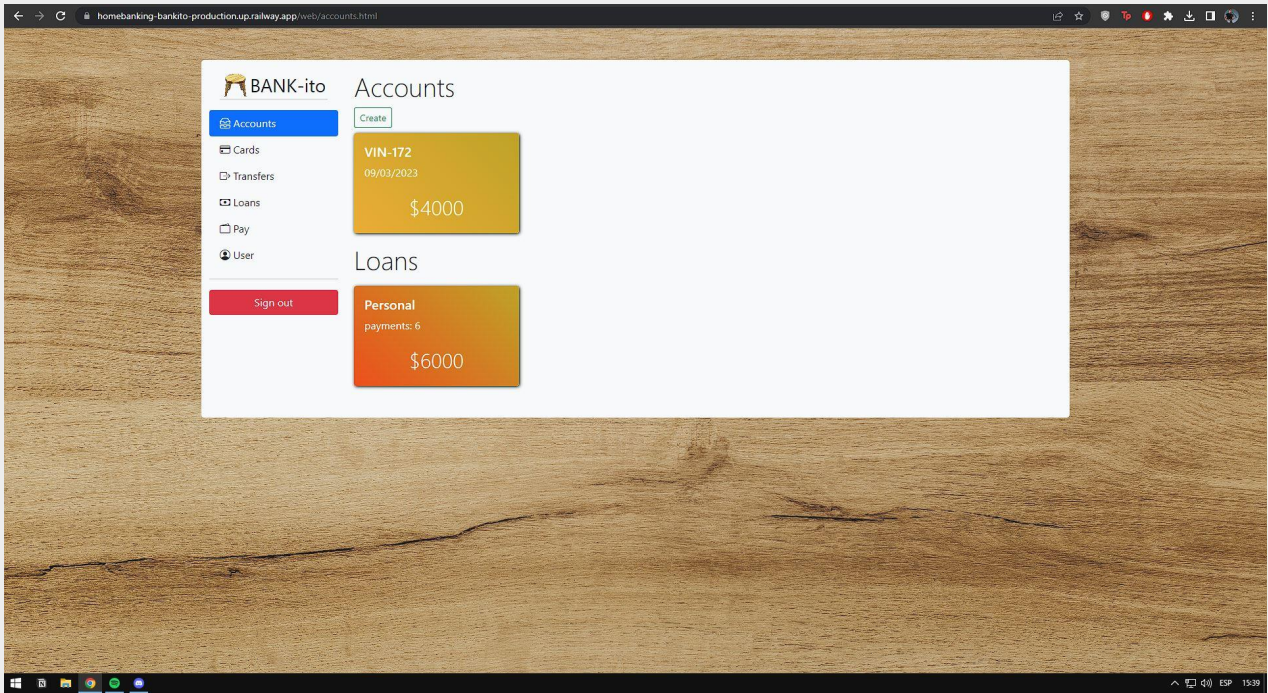

- 1 Errors**
 - 1 X Missing alternative text
- 1 Contrast Errors**
 - 1 X Very low contrast
- 7 Alerts**
 - 1 X No page regions
 - 1 X Missing first level heading
 - 2 X Skipped heading level
 - 2 X Possible heading
 - 1 X Redundant link
- 1 Features**
 - 1 X Language
- 6 Structural Elements**

The main content area displays a mockup of a banking website with sections for Accounts, Loans, and a Sign out button. The tool highlights various accessibility issues such as missing alternative text, contrast errors, and structural elements.

Descripción Bug					

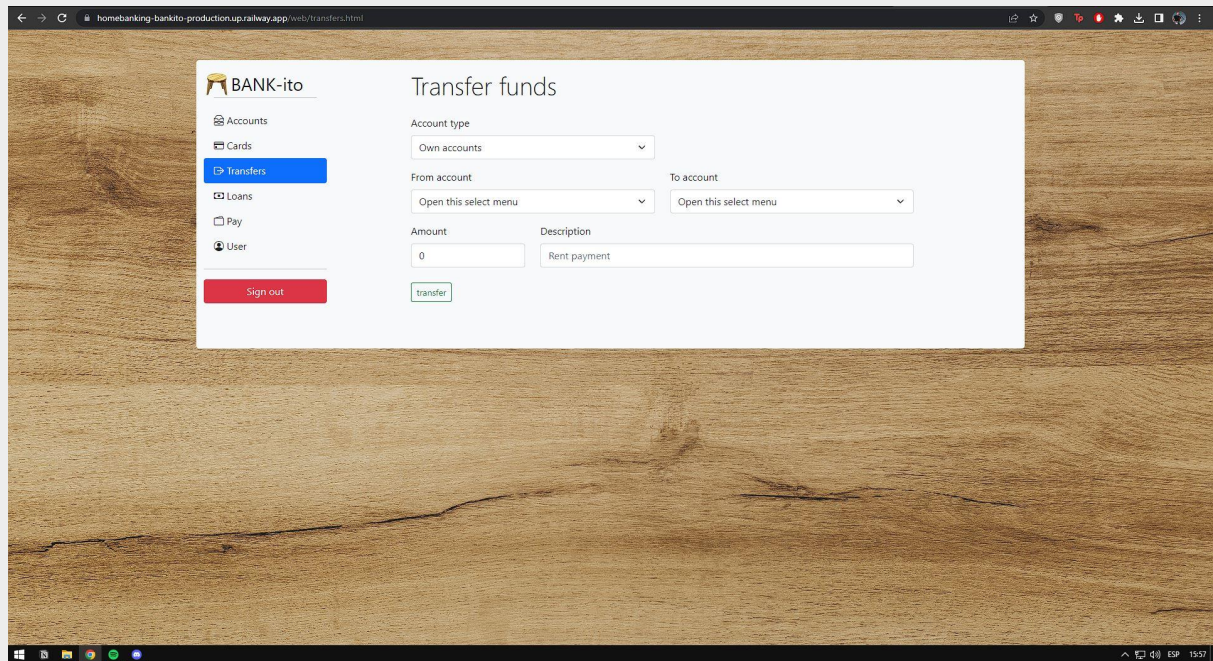

Los distintos pasos para las operaciones - Préstamos

The screenshot shows a web browser window with the URL `homebanking-bankito-production.up.railway.app/web/loan-application.html`. The page features a sidebar on the left with the BANK-ito logo and navigation links: Accounts, Cards, Transfers, Loans (highlighted in blue), Pay, and User. A red 'Sign out' button is at the bottom of the sidebar. The main content area is titled 'Loan application' and contains several form fields: 'Loan types' and 'Payments' (both dropdown menus with 'Open this select menu' text), 'To account' (dropdown), 'Amount' (text input with '0'), and 'Fees' (with a 'See fees' button). An 'Apply' button is located below the 'To account' field. The background of the page is a wood-grain texture.

Pagos

The screenshot shows the 'Insert Card Data' form in the BANK-ito application. The sidebar is identical to the previous screenshot, but the 'Pay' link is highlighted in blue. The main form is divided into two sections: 'Insert Card Data' and 'Pay Info'. The 'Insert Card Data' section includes radio buttons for 'CREDIT' (selected) and 'DEBIT', a checked checkbox for 'Credit Card Number', and input fields for 'Credit Card Number' (1111-2222-3333-4444), 'Card Holder' (John Doe), 'Description' (Insert a short description), 'CVV' (123), and 'Thru Date' (12-2012). A 'Create CR Transaction' button is at the bottom. The 'Pay Info' section on the right includes an 'Amount' input field (50000), a 'Calculate fee' button, and a 'Fee Amount' dropdown menu. The background is a wood-grain texture.

Transferencias

The screenshot shows a web browser window with the URL `homebanking-bankito-production.up.railway.app/web/transfer.html`. The page features a wooden background and a white modal form titled "Transfer funds". On the left, a sidebar contains the BANK-ito logo and navigation links: Accounts, Cards, Transfers (highlighted in blue), Loans, Pay, and User. A "Sign out" button is at the bottom of the sidebar. The form fields include: "Account type" (dropdown menu with "Own accounts" selected), "From account" (dropdown menu with "Open this select menu" text), "To account" (dropdown menu with "Open this select menu" text), "Amount" (text input with "0"), and "Description" (text input with "Rent payment"). A "transfer" button is located at the bottom of the form. The browser's taskbar at the bottom shows the Windows logo, task view, and several application icons, with a system tray on the right displaying the time as 15:57.

La página cumple con todos los pasos correspondientes para terminar las operaciones
